Building a Better Gwinnett

1 Document. 10 Priorities. 1 Direction.

## *Key Messages for the Strategic Priority for Students...*

- Students will take responsibility for their own learning and behavior.
- Students will be education partners with their teachers and their family, ensuring that they get the most out of their Gwinnett education and reach their learning potential.
- Students will exhibit characteristics— analytical, creative, curious, adaptable— that they will need for 21st century success.
- Students will cultivate leadership and teamwork skills and display strong character.
- Students will graduate prepared for college, work, and life.

## Strategic Priorities

Building a Better Gwinnett
